

## Our AGM will be held at High Littleton Pre-School Wednesday, 26th September 2018 at 8pm.

As parents/carers of our pre-school you are all invited and very welcome to join us at this year's AGM. It gives everyone a good round up of the year's events, future plans and is where the election of the pre-school committee takes place.

This year we are looking for new committee members and fundraisers to join the team! If you are interested please let us know and join us at the AGM. If you are not able to attend the meeting but would like to be elected, let us know and we will nominate you at the meeting.

Involvement on the pre-school committee is as much or as little as you are able to do. If you are interested but worried about how much time you can give, please be reassured that even the smallest amount of time is beneficial to us.

For more information on the various roles and involvement of a committee member please speak to Karen Grinham or Lara Turner.

Thank you for your support!!

### About Us

High Littleton Pre-School aspires to enhance the education and development of children in the community through the provision of high quality childcare.

### How you can help

The support you can provide as a charity trustee (committee member) is extremely important to us. We value the contribution of your time and skills, as they are essential ingredients to our success.

### Why Volunteer?

- Are you interested in learning new skills?
- Would you like to meet new people?
- Would you like to enhance and share your skills, time and ideas with others?
- Are you passionate about the development and education of young children?
- Do you want to put something positive back into your local community?

If you answer "Yes!" to any of these questions, we would love to hear from you.

### The Benefits

Research shows clear benefits for children when parents become actively involved in their child's learning and development from an early age. Parental involvement has been recognised by the government as being key to a child's successful development too.

### What are charity trustees?

The charity trustees are in charge of running the charity, making decisions regarding its management in order to achieve its aims. This is a crucial role in the existence of a charity.

Our committee has a strong commitment to the well-being, education and play of all the children in our care. Continuing the strength of our committee is most important to the future of our pre-school, the children and our staff.

Our committee works 'behind the scene' to keep the pre-school running smoothly by managing finances, employees, adhering to OFSTED regulations and the EYFS, safeguarding our children, organising fun fundraising events and more. Committee meetings are held once a term and this is where we discuss all matters about our pre-school.

Our pre-school committee is made up of:

- Chairperson
- Treasurer
- Secretary
- Between 2 and 9 other elected members

Who can join the Committee?

- Parents/Guardians of children who attend the Pre-School
- Anyone who has an interest in the welfare of children.

If you would like to know more about our committee please let us know.
